MEMORANDUM

TO: Joint Finance-Appropriations Committee
FROM: Alex J. Adams, Administrator *Alex J. Adams*
SUBJECT: Revision to FY2021-2022 Executive Budget Due to ARPA

Thank you for diligently working through the ARPA funding requests this legislative session!

I wanted to reinforce our support for several ARPA programs that were included in our April 6th memo.

FY 2022 Department of Health and Welfare

- Child Care and Development Block Grant - \$26,000,000
- Child Care Stabilization Grants - \$70,000,000
- Child Care Entitlement to States - \$3,125,000

Idaho Housing and Finance Association:

- Homeowner Assistance Fund - \$50,000,000
- Small Business Credit Initiative - \$20,000,000

Each of the above programs has a time limit associated with claiming and expending the funds. The listed amounts were the result of discussion with each agency about their anticipated usage prior to the 2022 legislative session.

Each of these programs can help facilitate Idaho's economic rebound, while ensuring we do not create ongoing obligations with one-time federal funding. Standing up the programs now will have a more meaningful impact than waiting until 2022, as we believe the need for these programs will lessen with time.

Please do not hesitate to reach out if we may be of assistance.
